Speed of Play - Policy

For Competition and Casual Golf some pointers to remember...

- Encourage 'Ready, Steady, Golf' – play when safe and ready to do so; not necessarily in order of furthest ball from hole.
- Play a 'provisional' ball if you think there is danger that your first ball maybe lost or not easily found. It is a lot quicker to play a second ball from the tee than walk all the way back.
- Remember to always announce the brand name and number of your provisional ball to the others in your group, as if you do not then it automatically becomes the ball in play (see rule 10-3 and rule 27).
- Look for your own ball before heading over to help others (where practicable).

- Keep an eye on the time when you start your search – remember you have a maximum of 3 minutes to search for it. After that, the ball is officially lost, so you should play your provisional ball.
- Leave your bag or trolley near the exit to the green.
- Mark your scorecard on the next tee, or if you are first to tee off, then play your tee shot then mark the card.
- There is no shame in calling players through and it benefits everyone. The group behind will certainly appreciate it!
- FACT: we all lose balls from time to time even good players(!), and in some cases maybe 2 or 3 players lose balls on the same hole, so unavoidable delays do occur!
- First player to hole out gets the flag.
- In Casual Golf, groups that are holding up others will be asked to invite the group behind through.
- If you keep up with the group in front you cannot be accused of slow play.

KEEP UP A GOOD PACE WHEN WALKING BETWEEN SHOTS AND ENCOURAGE OTHERS TO DO
LIKEWISE

The Club does reserve the right to refuse admission to the course and/or or the clubhouse if, in the opinion of a Director of the Club or an authorised employee, any individual acts or dresses in a manner which could cause offence or embarrassment to other members and their guests or visitors.
